

## **Eagle Banquet**

The NESAC Committee Eagle Scout Banquet will be held on Saturday, March 8, 2008 at 6:00PM at the Katy Cavins Community Center in O'Fallon, IL.

Each spring, the NESAC Committee honors the new Eagle Scouts in the council. During this banquet, each new Eagle in attendance is individually recognized and the attendees learn about their Eagle Project.

Each new Eagle will receive a special folder with congratulatory letters from dignitaries such as the President of the United States, and local political, business and university leaders.

The NESAC Committee sponsors the Eagle dinner through fund-raising and event registration fees. Sponsors of this function are recognized at the dinner program both in print and by the Master of Ceremonies.
